

SAMSUNG

Contractor Growth Rebate Program

July 1 through
December 31, 2024

Contractors who have been enrolled in the Samsung HVAC Preferred Dealer Program on or before July 1, 2023 automatically qualify for the promotion!

How it Works

Performance will be calculated based on the total number of systems registered during the promotional period.

*Growth rate will be determined by comparing the number of systems registered in the Samsung HVAC dealer program between July 1 – Dec. 31, 2023, and July 1 – Dec. 31, 2024.

Tier	Growth Rate*	Earnings Per System
T1	5%	\$50
T2	10%	\$75
T3	15%	\$100
T4	20%	\$125

Calculate your earnings

Example: Systems registered July 1 – Dec. 31, 2023¹ vs. July 1 – Dec. 31, 2024²

2023 ¹	2024 ²	Growth Rate	Total Earnings
5	30	> 20%	25 x \$125 = \$3,125
